Description

This charming three-level, three-bedroom, 3.5-bath family home in the Handsworth catchment boasts an open concept, modern kitchen with quality appliances and granite countertops. This recently painted property has private entry to the hiking trails and is nestled in a tranquil Grouse Woods cul-de-sac. The house has skylights, trendy light fixtures, ample storage space, a high-efficiency furnace, an EV charger, keyless doors, and a home light automation system. The sunken main floor leads to a functional patio. Three sizable bedrooms with east/west light exposure are upstairs. The lower level has a Rec room (which has potential for a suite, with an already existing bathroom) with access to the fully fenced flat backyard.
